

Viewing Delivery Information

When you create a Direct Van Delivery with Andersen, that van will be displayed on the View Delivery Information page in andersenaccess.com. As product is added to that van, you will be able to see Factory Loads Used, Factory Loads Available on the van, and Total List Price of that delivery. Once the van is confirmed, you will also be able to see Carrier information and the Estimated Time of Arrival (ETA). Follow the directions provided to view your delivery information.

- 1) From any page in andersenaccess.com, select **Search for Deliveries** from the *Shipping* link on the navigation bar. The *AW Deliveries* page displays.
